- Some Universities will accept 50 - 60 % , any additional qualification or work experience also helps.
- Students with very low percentages can apply for a Pre- Masters course and then progress to a Masters course.
- Some Universities ask for a GMAT score between 600 - 700 for their Finance courses as well as MBA.
- The range of work experience required for an MBA is from 0 - 4 years. Many Universities accept students without work experience and they can pursue the MBA directly after graduation.
- Most AMBA accredited University requirements will include GMAT + 25 years of age + minimum 3 years of full time work experience after graduation. Atleast 1 year of Senior level Management experience is preferred.

### English Requirement

We strongly advise all our aspiring students to give the IELTS. This test not only helps reaffirm your English language ability but is also valid for 2 years and can be used when you seek internships in UK.

- Undergraduate requirement - 6.0 with 5.5 minimum in each component.
- Postgraduate requirement - 6.5 with 6.0 minimum in each component.

It is important to note that the English requirement can be upto 7.0 in some Media, English and Management related courses.

Some Universities take into consideration marks scored in English in XII upto 75 % and waive off the English requirement, however this is subject to the University's decision.

## COSTS OF STUDYING IN THE UK - VALUE FOR MONEY :

The most apparent advantage of studying in the UK is the lesser duration of the programs: 3yrs for an UG degree and only 1 year for a Masters degree. This means lesser expenses than other destinations (like the US, CANADA, AUSTRALIA)

SUBJECT	TUITION FEES (PER YEAR)	TUITION FEES IN INDIAN RUPEES

• MBA	£ 15,000 to £ 40,000	₹ 16,95,000 - 45,20,000

PLACES	LIVING COSTS (PER YEAR)	LIVING COSTS IN INDIAN RUPEES

- On Campus : College hostels (self catered or fully catered)
- Off Campus : Renting a flat / apartment
- Homestay : With families near the institution.

## APPLYING FOR UNDERGRADUATE COURSES

- Applications are made only through UCAS (only 1 application can be made in an academic year).
- It is an online application method.
- One can apply to 5 different Universities on the same application form.
- A fee of £ 28.50 is charged by UCAS to process applications.
- Final Deadlines:
  - Art and Design - 24th March
  - Oxford / Cambridge - 15th October
  - Other Programs - 1st Deadline - 15th Jan : 2nd & Final Deadline - 30th June

## SANDWICH AND FOUNDATION PROGRAMS

Sandwich programs are made up of a combination of periods of study and time spent in industry. So the course duration extends to 4 years instead of the usual 3 years.

Foundation programs are of 1 year duration and are generally tailored for students as an alternative route to bridge between one's own qualification and that which is required for entry for a degree program in a university / college.

Students are strongly advised to apply sooner as the application process may take time due to Universities getting an overwhelming number of applications.

## APPLYING FOR POSTGRADUATE COURSES

- Application processing done at Edwise free of cost.
- One can apply to numerous Universities.
- Very few Universities charge an application processing fee.
- Deadlines
  - Certain Universities have deadlines
  - Most Universities do not have deadlines but it is advised to apply at least 6/8 months in advance (especially if applying to a Popular University).

## START DATE

The main intake offered by all Universities is September / October while few Universities also offer Jan/Feb intake. Some institutions may have April / May start too.

My special thanks to my Counsellors for guiding me through all my admission procedure right from selecting university to landing on the university campus. The Visa counsellor for his professional advice for my Visa & Financial matters and for helping me out in preparing my Visa papers. Without them it would have been very complicated. It was a very distinctive experience with Edwise. I am very contented with the service and concern they gave me. I wish them best of luck for their future and for the service they offer to the students. I wish them to prolong it for many approaching years.

To,  
Edwise,  
A Big hi

I have finally reached Bradford and settled in. It's a very beautiful city and a world class university. A million thanks for your suggestion and guidance.

The university has a good reputation, convenient location and strong recommendation by most people.

My experience with Edwise was one of excellent service, prompt and accurate guidance throughout the process of application and visa.

My reaching Bradford wouldn't have been possible without your advice and guidance. I really wonder if there are any other services in this country like Edwise.

To,  
The Director,  
Edwise

Dear Mr. Sukhwani,

I am writing to you to show our appreciation for the services rendered by Edwise to my daughter, Miss Attiya Biviji.

Attiya chose the University though she had received unconditional offers from 10 Universities in UK as also scholarships ranging upto 3000 pounds. Attiya and I wish to thank you for persuading Attiya to select it, diligently following up with the university for getting unconditional offer letter and for arranging her accommodation. Attiya can work in UK for two more years on the completion of her MSc.

The visa counselor of Edwise painstakingly assisted us in preparing Attiya's visa application. We must thank him for his meticulousness as result of which she got her visa the next day.

Edwise's predeparture briefing at Nehru Centre was very well organized and Attiya benefited in many ways by attending it. She could interact with alumni of UK universities (including those from University of Strathclyde) and started networking with other Edwise students going to Strathclyde. Also helpful was your pre-departure pack - notably 'International Students Support Guides' on 'Working during Your Studies' and on 'Working in the UK after Graduating'. Lastly your partner Blue star Air Travel managed to get Air Ticket to London for 1st Sept'05 when other 3 travel agents could not do so.

I must also mention that we had approached other two Education Consultants but the speed and the quality of response which we got from Edwise was markedly superior.

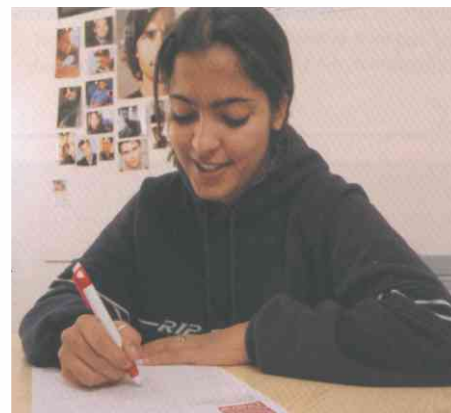

I am sure Edwise will continue with its good work and assist many students like Attiya in their quest for foreign education.

Parent Testimonial

Your Sincerely,  
Father of Y. S. Biviji  
University of Strathclyde

It is important to have a CAS certificate to be issued by a licensed sponsor, can proceed for the visa and the visa is granted for the complete duration of the course. On completion of the course, the student is allowed to stay back in the country for 2 years, for which one needs to apply for the Graduate Immigration Route.

## PART TIME EMPLOYMENT IN UK
